Spring 2025

Message from NDGA President Jordan Jensen:

NDGA members,

Now that the weather has straightened itself out, I look back on state sale weekend and am very excited about how it all turned out. It was a fun weekend to catch up with folks and see old friends and meet some new ones. I feel the sale was a great success overall and I was excited to pick up some new consigners. Hopefully this event can continue to grow and improve next year. If you have any interest in consigning or questions about the sale please reach out.

Calving season is underway here so I'm heading back to the corral. Good luck to everyone during calving season and bull sale season.
